## ARTICLE I GRIEVANCE PROCEDURE

### A. Definitions

1. A grievance shall be defined as a written allegation by an employee, group of employees, or the Association that there has been a violation, misinterpretation or misapplication of any provision of this agreement.
2. A grievant is the employee or group of employees or the Association making the complaint.
3. A party in interest is the employee or employees making the complaint and any person, including the Association or the Board, who might be required to take action, or against whom action might be taken, in order to resolve the complaint.
4. Days shall mean those days when employees are scheduled to be in attendance except during vacation periods when workdays shall mean days when the Superintendent's office is open for business.

### B. Purpose and Procedure

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of this procedure.
2. The number of days indicated at each step shall be considered as a maximum and every effort shall be made to expedite the process. The failure of an employee, group of employees, or the Association to act on any grievance within the prescribed time limits shall constitute a waiver of the alleged grievance and shall act as a bar to further appeal. An administrator's failure to give a decision within the prescribed time limits shall permit the employee, group of employees or Association to proceed to the next step. The time limits may be extended by mutual agreement.

3. All grievances must be presented within fifteen (15) workdays from the date of occurrence of the event giving rise to the grievance, or when the employee, group of employees, or the Association could reasonably have been aware of the grievance.
4. Any grievance not settled by the close of the school year shall be processed expeditiously, unless mutually agreed otherwise.

**C. First Step**

An attempt shall be made to resolve any grievance through an informal discussion between the grievant and the building principal or supervisor. If requested by the grievant, an Association representative may be present in this informal discussion.

**D. Second Step**

1. If a grievance is not resolved informally at the first step, the grievant shall file the grievance in writing with the building principal or supervisor within five (5) working days after the informal conference with said principal or supervisor. The written grievance shall be on the form set forth in Schedule A.
2. Within five (5) working days after the principal or supervisor receives the written grievance, a meeting at a mutually agreeable time shall be held with the grievant and his/her representative, if requested, to discuss the grievance and attempt to resolve same.
3. The principal or supervisor shall have the right to have a representative or designee at such meeting. The principal or supervisor, or other Board representative, shall render such decision and communicate it in writing to the grievant, the Association, and the Superintendent within five (5) working days following the meeting between the principal and the grievant.

**E. Third Step**

In the event a grievance has not been satisfactorily resolved at the second step, the grievant may file an appeal of principal's or supervisor answer within five (5) working days of said written decision with the Superintendent and/or his representative. Within five (5) working days after the written grievance is filed, the grievant, the representative of the grievant, if desired, and the Superintendent and/or his representative shall meet in an attempt to resolve the grievance. The Superintendent and/or his representative shall file an answer within five (5) working days of the third step grievance meeting and communicate it in writing to the employee, the principal, and the representative of the employee and/or the Association.

**F. Fourth Step**

If the grievance is not resolved satisfactorily in the third step, there shall be available a fourth step of impartial binding arbitration. The grievant and the Association shall meet within five (5) working days of disposition of the grievance to discuss the merits of submitting the grievance to arbitration. If the Association determines that the grievance is meritorious it may submit the grievance to arbitration within fifteen (15) working days. If a demand for arbitration is not filed within twenty (20) working days of the third step reply, the grievance shall be deemed settled on the basis of the third step answer. Grievances which have been processed through the preceding steps of this procedure and only such grievances shall be submitted to arbitration as provided here:

1. The Association shall submit, in writing, a request to the Board to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within five (5) working days after said notice is given. If the two parties fail to reach agreement on an arbitrator within five (5) working days, the

Federal Mediation Conciliation Service shall be requested to provide a panel of seven (7) arbitrators residing within a 300 mile radius of Mid-Prairie. This Request shall be in the form of a Written communication from the Association. Each of the two parties shall alternately strike one name at a time from that panel. The first strike shall be determined by lot. The remaining name shall be the arbitrator.

2. The arbitrator shall have no power to alter, change, detract from or add to the provisions of this Agreement, but shall have power only to apply and interpret the provisions of this Agreement to the settlement of issues and grievances arising hereunder.
3. The decision of the arbitrator shall be submitted in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted within twenty (20) working days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision of the arbitrator shall be binding on the parties.
4. Each party shall bear its own cost and expense of the arbitration proceedings excluding the fee of the arbitrator which shall be shared equally by the Board and the grievant or his/her representative.

**G. Others**

1. Participation in the grievance procedure shall not subject any representative or member of the Association or any other participant to reprisals of any kind by reason of such participation.
2. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
3. All meetings and hearings held under this

procedure shall be conducted in private and shall include only witnesses, the parties in interest, and their designated or selected representatives, heretofore referred to in this Article.

4. It is agreed that when the employee, group of employees and his/her representative of the Association shall be required by a principal, the superintendent, the Board or an arbitrator to meet regarding a grievance during the workday, the employee, group of employees, or the Association shall be released without the loss of compensation.
5. The Board shall inform the Association, in writing, of any grievance filed by an employee or group of employees. Settlement of a grievance with an employee, or group of employees without representation by the Association, shall not set any precedent for settlement of future like grievances, unless agreed to by the Association.

## **ARTICLE II DUES DEDUCTIONS**

### **A. Written Authorization**

Upon receipt of a lawfully executed written authorization from an employee, which the employee may revoke at any time by giving thirty (30) days' written notice, the Board agrees to deduct the regular monthly Association dues of such employee from his/her salary and remit such deductions to the official designated by the Association in writing to receive such deductions. **C. EXPENSES OF TRAVELING EMPLOYEES**

1. Employees who may be requested to use their own automobiles in the performance of their duties and employees who are assigned to more than one (1) school per day shall be reimbursed for all such travel. Any such notice shall be mailed by certified mail, return receipt requested, to the last known address of the employee in question as shown on the school district's records. Any such notice shall be considered received by the employee on the date the return receipt is signed.
